A Tribute to Marianne Farnsworth

Celebrating 44 years of successfully being in business since 1980! Join us for a powerful 2024! Marianne Farnsworth, the founder of the Farnsworth Swim School ran the school for 28 years in Almaden Valley.

She devoted her life to teaching and contributing to others. Sadly, Marianne passed away in 2007 from cancer. Jaynie, her daughter is thrilled to be carrying on her legacy by continuing the school.

Jaynie, the CEO of the Farnsworth Swim School for the last 15 years. She is a professional swimmer with over 25 years of experience training all levels of swimming, from absolute beginners to advanced, including swim team, adults & triathletes. Jaynie, a life-long swimmer, also swam competitively for 15 years. She is passionately committed to water safety and to creating swimming miracles in her students' lives. Jaynie holds a Master's Degree in Education & a CA K-8 teaching credential.

Christina Buck has been the operations manager at Farnsworth swim school since 2016. She began competitively swimming at the age of 9 up until her sophomore year at Cal Poly. Her passion for swimming, combined with her calling to work with children, led her to teach lessons at the Farnsworth Swim School starting in 2011. Christina then taught 5th grade in Los Altos for 6 years. She is currently taking a break from teaching to care for her three children. Her 7 year old daughter, Addison, and her 5 year son, Cooper took lessons with FSS last summer and are really looking forward to coming back this summer!
